

Damian Bednarczyk

(630) 870-2448 | Romeoville, IL | damian@bednarczyk.xyz | github.com/dkbednarczyk | bednarczyk.xyz

EDUCATION

Illinois State University
B.S., Computational Mathematics
• Cumulative GPA: 3.4/4.0 | Jesse W. Fell Scholarship
• Relevant Coursework: Applied Artificial Intelligence, Differential Equations, Python for Data Science

Normal, IL
Aug 2024 — May 2027

Lewis University
Student at Large
• Cumulative GPA: 3.0/4.0
• Relevant Coursework: Multivariable Calculus, Linear Algebra

Romeoville, IL
Aug 2023 — May 2024

PROJECTS

mup (github.com/dkbednarczyk/mup)
• Rust CLI application which handles Minecraft game server deployment
• Creates fully reproducible server environments by locking server state and mod dependencies

Jan 2024 — Present

mxw (github.com/dkbednarczyk/mxw)
• Rust application which replaces the need for proprietary mouse configuration software
• Added support for more devices, fixed runtime panics and idiomatized original codebase

Feb 2023 — November 2024

zfetchn (github.com/dkbednarczyk/zfetchn)
• Simple cross-platform Zig application inspired by neofetch
• Interfaced with Unix C libraries including sysctl and libproc2 to retrieve system information

Sep 2023 — Jun 2024

SKILLS

- **Programming Languages:** Rust, Go, Python
- **Technologies:** Git, *nix, Docker, Typst, LaTeX, Tailscale
